

# GARLAND II

The sky is filled with stars,  
Starry days, my dear brother! (refrain)  
And the field is full of sheep.  
But no Morning Star is there.  
Starry days...  
Among the sheep no shepherd is.  
Smiljana gathered xeranthemums near the water's edge.  
Have I not told you, Jelane,  
Told you, lovely Jela,  
Not to grow so, Jelane,  
Near the highroad, lovely Jela,  
Along which pass, Jelane,  
The captains, lovely Jela,  
And lead their men, lovely Jela  
Mara of Resava,  
Have you seen the Resava braves?  
In Budim town, a strange wonder, they all say.  
Hm, hm, is it true, a strange wonder, they say !  
A mouse has cornmeal sown in the hedgehog's field,  
Hm, hm. is it true, in the hedgehog's field!  
The corn has grown to the mouse's knees,  
Hm, hm, is it true to the mouse's knees,  
To the mouse's knees and the frog's shoulders.  
Hm, hm, is it true, to the frog's shoulders
